

MOORE EDUCATION CONSULTING, LLC

Program Development • ELA & Literacy • Education & Training • Program Management

Women-Owned and Minority-Owned Small Business | Baltimore, Maryland

COMPANY OVERVIEW

Moore Education Consulting, LLC is an education consulting and program development firm specializing in English Language Arts (ELA), literacy, reading, and writing. We design, develop, and implement educational and community-centered programs that educate, empower, and create measurable impact.

Our capabilities span ELA and literacy program development, curriculum and instructional design, professional development and training, program and project management, stakeholder engagement, and data-informed performance improvement — helping government agencies, educational institutions, nonprofits, and workforce and community organizations move programs from concept to measurable outcomes.
